

Tools for scanning: Data aggregation template

Use this table to reflect on what you have uncovered during the scanning phase of your inquiry

What have you found out?	Data sources Do you have rich and multiple sources?	Is the data: <ul style="list-style-type: none"> • complete? • concealing something? • consistent and comparable with other data? 	Emerging patterns, categories, trends
			<p style="text-align: center;">Why do these matter? What further evidence do you need?</p>
