

Tools for focusing: Overview template

Use this table to reflect on what you have uncovered during the scanning and focusing phases of your inquiry.

<p>What emerged during the scanning process?: What's working well? What are the strengths that the children demonstrate?</p>	<p>Evidence Do you have rich and multiple sources of evidence?</p>	<p>Do you need further evidence? Is the evidence consistent and comparable with other information?</p>	<p>Does the evidence reveal emerging patterns, categories, trends? Are there findings recurring, year after year, or pervasive across multiple children or groups?</p>
